## Notes

1. As permitted by Regulation 41 of the Uncertificated Securities Regulations 2001 and Article 10 of the Company's Articles of Association, shareholders who hold shares in uncertificated form must be entered on the Company's share register at close of business on 28 June 2022 in order to be entitled to vote at the AGM or, if the AGM is adjourned, shareholders entered on the Company's register of members not later than close of business on the date two days prior to the adjourned meeting shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at the time. In each case, changes to the register of members after such time shall be disregarded in determining the rights of each person to vote at the AGM.
2. In the case of joint holders of a share, the vote of the senior who tenders a vote shall be accepted to the exclusion of the votes of the other registered joint holders of the share and for this purpose seniority shall be determined by the order in which the names of the joint holders stand in the register of members in respect of the share.
3. Any corporation which is a member can appoint one or more corporate representatives who may vote as a member provided that they do not do so in relation to the same shares.
4. To appoint the chairman of the meeting as your proxy using the proxy form, the form must be:
  - completed and signed;
  - sent or delivered to the Company's registrars at Link Group, PXS 1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL; and
  - received by the Company's registrars no later than 1.30 p.m. on 28 June 2022

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 30 June 2022 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Link Group (CREST Participant ID: RA10), no later than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
